Crittters Without Litters offers humane cat traps for a seven day rental period. The rental fee is free for the seven days with a \$75 deposit, cash or credit card. The deposit will be returned after the trap has been returned. There is an additional fee of \$5 per day for each day after the initial seven day rental period, to be paid by cash or credit card at the time the trap is returned. The full deposit will be given back at the time of return if the cage is cleaned and in good, working condition. Deposits will not be refunded in the case of lost, damaged, or stolen traps. Failure to abide by the following agreements will result in the forfeiture of the trap and the return of the deposit. An additional \$75 may be billed to the renter if the trap is rendered destroyed by means other than regular use.

- The trap must be set on level ground so it will remain steady when the cat enters.
- The trap must be baited with fresh food every time. Crittters does not reset nor provide food.
- Traps should only be set Sunday-Wednesday, as Crittters will only provide spay/neuter services for feral cats Monday-Thursday.
- When the cat is caught, you must bring it in for surgery within 24 hours. Check-in time for surgery is always 8 a.m.
- Any animal not intentionally caught will be immediately released.
- Traps are not to be set if the temperature is below 32 degrees or above 80 degrees.
- Under no circumstances are traps to be used as an aid for hunting.
- Any person abusing or neglecting a captured animal will be prosecuted.

*I am aware that failure to abide with this agreement will result in forfeiture of the trap and my deposit. I take full responsibility for the trap. In the event the trap is stolen, lost, or damaged, I agree to pay the full replacement cost to Crittters Without Litters.*
